

Key Patent Innovations was privileged to attend the Olympic Federation of Ireland's Centenary Ball to celebrate not only our most successful Olympic Games ever, but also to commemorate 100 years of participating as Olympians.

As a proud partner to Team Ireland, it was an honour to be in the company of so many talented people. To our sporting heroes, thank you for all the joy you brought us over the last 100 years, and for the hope you continue to bring us for our future generations. Hard work and dedication never grows old, and can only ever be admired when delivered with the commitment and conviction of a true Olympian.

Angela Quinlan, MD of Key Patent innovations, had the honour of presenting two-time Olympian Michael Corcoran with a Global Influence Award. Mike, a founder of prosthetics company MCOP, works tirelessly to help wounded Ukrainian Soldiers. He was also recently recognised by President Zelensky for his tireless and incredible work in this field.
